FINLEY'S PLAN PASSED

Bimetallists to Organize Aggressively In All States.

A COMMITTEE WAS NAMED.

Appointed to Co-Operate With the National Democratic Committee—Altgeld A Member—Speakers Declined For Bryan—Farren Again Chosen President.

LOUISVILLE, June 2.—A resolution, introduced by General E. B. Finley of Ohio, was adopted by the convention of Ohio Valley Bimetallists clubs, providing that the president appoint a committee to co-operate with the Democratic national committee, to thoroughly organize in every state and territory for 1900.

Judge Tarvin announced: John P. Altgeld, Illinois; George Fred Williams, Massachusetts; J. W. Overmeyer, Indiana; J. Somonin, Kentucky; Allen W. Clarke, Indiana, and James P. Tarvin of Kentucky.

W. H. Harkin of Kentucky spoke and gave it as his opinion that bimetallism is the true issue that is confronting the Democracy of the United States and the one upon which, with W. J. Bryan at the head, the party will march to triumph victory in 1900. Similar sentiments were expressed by Hon. William Crockett and William J. Somonin, both of Kentucky.

Chairman Tarvin named committees on officers for ensuing term and on resolutions, after which the convention adjourned temporarily.

When President Tarvin again called the convention to order Hon. Henry Warrum of Indiana spoke.

The committee on constitution recommended an amendment to the constitution for the election of two vice presidents from each of the four states and that the officers and executive committee-men elected by this convention serve until the close of 1901. It was adopted.

The committee on a place for meeting for 1900 recommended that a committee consisting of the officers of the league, with D. S. Oliver of Ohio, S. M. Bidson of Illinois and Joseph Rhines of Kentucky, select a place and time and issue a call for the 1900 meeting. The report was adopted.

The committee on officers for the ensuing year made the following report, which was unanimously adopted:

President, James P. Tarvin, Kentucky; vice presidents, E. J. Van Vels of Indiana, D. S. Oliver of Ohio, S. M. Bidson of Illinois, W. J. Somonin of Kentucky, John B. Altgeld of Illinois, John Overmeyer of Indiana, Louis Statz of Ohio and Thomas Tandy of Kentucky; secretary, Allen W. Clarke, Indiana; treasurer, Adam Humberger, Indiana.

The executive committee shall consist of all the above named officers together with the following named members: F. J. Deller, G. E. Downey, Indiana; J. W. Orr, Noble Gottlieb, Illinois; C. V. Hull, H. C. Cordery, Ohio; J. L. Rinnock, Kentucky.

President Tarvin introduced Hon. E. B. Finley of Ohio, who spoke, especially condemning the president's policy in the Philippines.

The resolutions declared for the Chicago platform, that bimetallism would largely destroy the trusts, and for Bryan as the party nominee.

AN OUTPOST ATTACKED.

Rebels Wounded Two Americans Near San Fernando—Rearrangement of Commands—Messages From Otis.

LONDON, June 2.—A special dispatch from Manila says that the insurgents attacked the outposts of the Fifty-first Iowa Regiment at San Fernando, and that two Americans were hit.

WASHINGTON, June 2.—The war department received the following dispatch from General Otis at Manila, dated June 1:

General Smith reports from Negros that he has punished insurgents who murdered Captain Tilly; that the eastern coast of the island now is under the American flag and its inhabitants ask protection against robber bands. The bands were pursued into the mountains by United States and native troops and severely punished.

Replying to inquiries of Secretary Alger, General Otis telegraphed "that he is still of the opinion that 30,000 troops will be necessary for the effective control of the Philippines."

Secretary Alger took General Otis' cable to the president and after conference with him stated that the text of the dispatch would not be made public, as it contained other matters besides an answer to his inquiry of the other day.

"It reaffirms General Otis' estimate made some time ago," said the secretary, "that 30,000 men would be sufficient to cope with the situation. As I stated yesterday, the regulars in on the way or under orders to go to the Philippines will give General Otis about 34,000 or 35,000 men after the withdrawal of the volunteers."

"When will the additional 5,000 or 6,000 men for whom General Otis asks come from?" the secretary was asked. "That has not been definitely determined as yet," he replied. "We may be able to take the additional troops asked for from the regulars now located in this country, Cuba and Porto Rico, or it may be found advisable to muster in volunteers."

"In case it is decided to call for volunteers, will the call only be for the 5,000 or 6,000 men necessary to bring General Otis' total up to 30,000?"

"If volunteers are called for," replied the secretary, "the call probably will be for 10,000 men."

MANILA, June 2.—General Lawton was given command of the defenses of the city and troops forming the line around Manila, which will be his division.

General MacArthur commands the outlying garrisons and the troops holding the railroad and river.

REFUSED

To Return \$150 Note to Original Owner.

Peculiar Foundation For Action—Assessor's Gain.

Mary C. Shaffer makes a peculiar transaction the foundation for an action against Alvin C. McKnight.

She alleges that, on Dec. 22, 1894, she received, for a valuable consideration, a note of \$150 from the defendant. Two months later, desiring to move to Dayton, she requested McKnight to loan her a sum of money. This he agreed to do provided she gave him the note already mentioned. The plaintiff turned over the note, she says, with the understanding that it was to be returned to her. McKnight loaned her \$42.20. She says that he has possession of the note, but that he refuses to turn it over to her. In "Squire Hoffman's" court she was given judgment for \$150 against Alvin C. McKnight and F. H. McKnight. The case was carried up on appeal.
